Elmer:

This is a much more informative brochure than the first one put out by the President's Commission. I still have an uneasy feeling though about precisely what moving expenses ought to be paid. Perhaps I'm influenced by the indication that [REDACTED] may not take his family [REDACTED] The brochure says that moving expenses are payable on the same basis and same amount as in the case of PCS transfers. I'm wondering what tailoring if any, will be needed in our cases
